Dear Ms. Broomhead:

The National Republican Congressional Committee (FEC ID# C0075820) is in receipt of your Request for Additional Information dated April 19, 2013 regarding our 2012 Post-General FEC report.

1. We have reviewed the donors and have confirmed that both were United States citizens living abroad. Therefore, their donations were permissible and were reported properly. In addition, in accordance with information provided by the Romney Victory joint fundraising committee, there is a reversal (negative) memo entry for C. Moore Bacon in the amount of \$ 7,100 itemized on our February 2013 monthly report.

2. We have received the member attribution information with respect to the donations from BGR Government Affairs, LLC, and O'Shaughnessy Family Partners, LLC, and have amended this report to include these memo entries.

3. A refund to United Lighting Company was itemized on our May 2013 monthly report.

4. The \$ 2,500 memo entry from Mr. Paul E. Purcell was listed in error. The memo entry amount of \$ 30,800 is correct. Mr. Purcell made a donation of \$ 35,800 to the Boehner for Speaker joint fundraising committee in October of 2012, which was allocated \$ 5,000 to The Freedom Project, and \$ 30,800 to the National Republican Congressional Committee, as confirmed by the other committees' FEC filings. We have amended our 2012 Post-General report to remove the attribution to Mr. Purcell in the amount of \$ 2,500 that was inadvertently included in our original report.

5. The coordinated expenditure amount of \$ 7,096.43 on behalf of David Rouzer referenced in your letter was an expenditure made and reported by the North Carolina Republican Party (NC GOP). We have been notified by the NC GOP that this expenditure was for a mailing prepared by volunteers which should have been reported as volunteer exempt activity, and that the NC GOP will amend its 2012 Pre-General to report this disbursement appropriately on line 30b. Therefore, the National Republican Congressional Committee, having received coordinated spending authorization from both the Republican National Committee and the North Carolina Republican Party, has not exceeded the coordinated expenditure limit of \$ 91,200.

6. With respect to the remaining coordinated expenditures referenced in your letter, all of these amounts represent invoices received by the committee and paid in this reporting period upon receipt of the invoice.

Sincerely:

Keith A. Davis, Treasurer
National Republican Congressional Committee
